

## WORSHIP DANCE TEAM

We are excited that you are interested in our Worship Dance Team! Please peruse the information below to learn all about the program.

### QUICK DETAILS

**Program Run Time:** August – June

**Scheduling Type:** Rotating (your child may not serve every month)

**Service Dates:** Communion Sundays (first Sunday of every month)

**Practice Dates:** Monday nights

**Practice Times:** 4-5PM

**Location:** 160 Dickins Drive

### WHO IS THIS FOR?

This program is open to **children in Grades 1-6**. There is no dance or singing experience required to participate. If your child loves to sing or dance then this is the program for them!

Interested in volunteering for this program? Please visit our kids page at [www.familychristiancentre.org/kids](http://www.familychristiancentre.org/kids) and sign up at “FCC Kids Volunteers Needed – Sign Up Today” found on the page.

### WHAT WILL MY CHILD BE DOING?

We believe that worship to God can be expressed in many ways, including through song and dance! In this program, children will learn to sing and dance to worship songs. They will then help lead the entire church congregation in worship by performing those songs on Communion Sundays with the live Worship Band!

Choreography for the songs are taught during practice days, and videos are provided for children to practice at home. Children are also encouraged to analyze the lyrics of each song, and asked to learn and sing the lyrics as they dance.

Please note that children will be leading the songs that they learn on stage in the main service auditorium. So, if being up in front of people is not something your child enjoys then this part of the program may be a challenge for them. But don't let a little stage-fright hold them back! We are more than happy to work with children through their concerns, and strive to build them up in confidence!

## **WHAT ARE COMMUNION SUNDAYS?**

Communion Sundays are services scheduled on the first Sunday of every month. During these Sundays, we gather as a church family to remember the sacrifice that Jesus paid for our sins and rejoice together in the freedom we find through Him! Every ministry in our church comes together, with adults, youth, and children participating in the same service. **As part of this Sunday, children help lead worship with the adult and youth band.**

## **WHEN DOES THIS PROGRAM RUN?**

This program is scheduled monthly from **August to June** each year.

Children will be put on a rotating schedule where **8-12 children will serve each month.**

Children will be scheduled for a Communion Sunday and will attend **weekly Monday night practices the month prior** to prepare for that Sunday. For example, if your child is scheduled for the September Communion Sunday (the first Sunday of September) then they will attend weekly practices on Monday nights in August.

The weekly Monday night practices are at the church **from 4-5PM.**

Children will be required to practice with the live band in the morning on their scheduled Communion Sunday, from **8:15-10AM.** Children will then help lead service during the main service hours from **10:30AM - Noon.**

## **PROGRAM COMMITMENT**

To be able to serve on a scheduled Communion Sunday, **children will need to make it to at least 3 practices.**

We prioritize our practice days! We want your child to experience practicing as part of a team and encourage the collaboration and the building of friendships between its members. We also want to make sure the children have a good experience leading worship, and an important part of that is to prepare them as much as we can during practices!

We know that unexpected things do come up, such as family emergencies or illness, and we will work with you should these occur.

## **COST**

There is no cost to register for the program.

Children will be required to wear a Worship & Dance Team t-shirt on Communion Sundays. T-shirts will be provided on the day for children to borrow and return after the service. There is also an option for children to purchase a t-shirt of their own to keep, if that is preferred.

## **REGISTRATION**

To register for this program, please visit our website at:
