"REACHING OUT TO THE NATIONS WITH THE LOVE OF JESUS" PSALM 107:19-20

December 5th, 2022

Dorothy +  
NTOMI

Dear Friends;

Greetings in the wonderful name of Jesus. Truly we live in an awesome day for many of us will see God move in unprecedented power.

*There is a fountain filled with blood  
Drawn from Immanuel's veins;  
And sinners plunged beneath that flood,  
Lose all their guilty stains:  
Lose all their guilty stains,  
Lose all their guilty stains;  
And sinners plunged beneath that flood,  
Lose all their guilty stains.*

How we thank God for Calvary. Only as we come to Calvary we can know forgiveness of sin. Praise God that as we come, we are made brand new by the power of the blood of Jesus Christ. He becomes our Saviour and Lord as we cry out to Him. So many times people have wished they could become brand new. The Good News of the Gospel is, we can as we give our all to Him. Mount Calvary is not the end but is the beginning of a brand new life with Jesus.

Jesus has a plan and a purpose for each one of us. He does not just start something and leave it hanging. He wants to use us for His glory. If we will follow Him, He will cause us to truly shine.

The scriptures talk about the day when the glory of God shall be seen in the earth, Habakkuk 2:14 (KJV). There shall be a people that arise in Him who will show forth the glory of God. They will be a people not content to play church but to be the church and the glory of God shall be seen upon them. They will walk with Him 24/7 until the day Jesus calls them home. The time is now, are you ready?

We were so thankful for the opportunity to travel with the tent again this summer, after being in lockdown for two years. We got to see what only God could do. As we headed

out this summer we felt the Lord say we would be led by His Spirit and be where He wants us to be at any specific time for His purposes. We looked forward to seeing what God had planned for the summer outreaches. How awesome it was for all the divine connections along the way.

We headed out on the Gospel summer trail with great excitement. We stopped at many places on the journey. It was so good to see each other again after all the lockdowns etc.

In Dixonville we were blessed to be apart of the activities at the Dixonville Community Church and also City on a Hill in Peace River. We spent time training the Dixonville Church about tent ministry as they now have their own tent which they will be travelling with. We were blessed with our time with both of these ministries. We look forward to what God has in store in the days ahead as we team together for what God wants to do in their area and the Back Lakes.

Only God knew the different things that were going to happen on the journey and it was our privilege to have many God opportunities to witness. God had us share with a tow truck driver for a few hours and just share about God as we waited for help to come. After breaking down on the road, we see God cares more about souls then our precious schedules and equipment. God totally knew that we were going to need a few extra days to get the trailer fixed and as we went when he said go – we had the time to get the trailer fixed. Who knew that blown tires and a bent axle could give such God opportunities. It is through the trials and how we react to them that shows the power of God in our lives. Life has problems and God promises that His children will go from strength to strength (Psalms 84:7) and He gives grace for grace (John 1:16). We surely saw that happen – the garage said “they have never seen such happy people in a break down before. We simply said – we knew God had this under control. We are so blessed to walk with Him and know that His plan is good and He promises to turn “ALL” things around for good to them that love the Lord and are called according to His purpose, (Romans 8:28).

In Kawacatoose, as we were putting up the tent, winds like we had seen when we were in Klemtu on the west coast, were literally picking up the tent poles. The good news is, a wind came along and helped us lift the center pole – only God! We knew that good things were in store as we were getting ready for the meetings. God was surely in the tent and touched lives for time and eternity and we thank God as we get reports of lasting fruit

from the tent meetings. Souls were saved, filled with the Holy Ghost and walking with Jesus day by day.

Whether we were setting up the tent, having indoor meetings or with different ministries, it was surely a God ordained

summer and fall.

We thank God for the connections in B.C. also and we were able to spend some time with the team that comes up north. They were able to work on the bus and get different parts of it working again. God is so good and we so appreciate each one for all they have done.

Christmas is fast approaching and we rejoice in our Saviours love and the opportunities to share this time with others. We will be involved with various Christmas outreaches and are looking forward to this. It is a season where we celebrate the birth of our Saviour and can share the love of Jesus that shows the reason He came from heaven to earth.

The Lord willing and no lockdowns we are looking forward to having Bible School again in the new year starting Feb. 5<sup>th</sup> thru March 31<sup>st</sup> and also heading up the winter road in January.

We are thankful to God for the opportunities that He opens up for sharing the best news in the land. Jesus is alive and well and has a plan and a purpose for each life. At the Prayer and Ministry Center we continue to thank God for setting us here at what we call "The Third Gate" and allowing us the opportunity to link with Him and others for a mighty move of God up and down the Mackenzie River Valley. As we are in Fort Providence we are standing in prayer for the sovereign move of God that He promised throughout the north! Thanks for standing with us for all that God has planned!

He promised and it shall surely come to pass.

Yours together for the harvest,

*Lori & Dorothy
