"REACHING OUT TO THE NATIONS WITH THE LOVE OF JESUS" PSALM 107:19-20

Dear Friends:

December 2023

Psalm 97:1. The Lord reigneth, let the earth rejoice!

We are so thankful to know the One who reigns above it all. As this Christmas season is here - we are so thankful for the one who came in that manger so long ago but thank God for the plan of the ages. He came with a purpose, He lived with a purpose, He died with a purpose, He rose again with a purpose and went to heaven to reign with a purpose. May we all realize the same that there is a plan and a purpose for our lives to see it come forth in fullness and in the process seeing people being impacted by the Gospel. God is truly the faithful one - who makes the way where there is no way.

This summer was one of continuation, despite the fact of the situation that we faced as a team with the passing of our dear friend and co-worker Lori. We can only imagine the smiles she had, as we headed out on the Gospel trail. This was one of her favourite times of the year as the Lord led us. We witnessed the faithfulness of God, with His guiding hands enabling us to continue going and spreading the hope of the Gospel. Lori always said the ministry didn't depend on her or anyone else, it is dependent on God and hearing from Him and doing what He says. God is so faithful - He made a way for His plan. We prepared to go as always, pack and pray. We prayed for the plan of God, as we know that is the one that works. "From the place of prayer - the works of God proceed."(M.L.B.)

This year of course having many more dynamics with the fires all around in the north, so many loved ones dying and going to meet Jesus. We prayed and went as God said. We were able to travel in the NWT, Alberta, Sask. And B.C. We have seen God do what He has promised over and over again.

Romans 8:28 –And we know that all things work together for good to them that love God, to them who are the called according to his purpose.

We knew that it didn't matter what we were about to face or already were facing, God promised He will turn it all around for good. We headed out this summer looking for God to do what only He could

do and got to see Him do amazing things.

We were blessed to see the tent get up in spite of the fact that there were bears in

Meander River that came to the tent (they weren't there to help but take part in the fruit that was on the land where the tent was being set up) – so we looked for eternal fruit. We got to reconnect with people that we love so much and see God

Gladys turned 90 and is still going strong for Jesus!

touching them, delivering them – only God can change a life from the inside out. What an awesome God we get to serve!

We got to witness the body of Christ arising across the land and taking their place. Different ones coming forth in testifying, preaching and leading worship – the meetings weren't dependent on a few but on each one coming forth in what God gave them.

Ephesians 4:11 And he gave some, apostles; and some, prophets; and some, evangelists; and some, pastors and teachers;¹² For the perfecting of the saints, for the work of the ministry, for the edifying of the body of Christ.¹³ Till we all come in the unity of the faith, and of the knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fulness of Christ:

Mark 3:9-13 And he goeth up into a mountain, and calleth unto him whom he would: and they came unto him.¹⁴ And he ordained twelve, that they should be with him, and that he might send them forth to preach,¹⁵ And to have power to heal sicknesses, and to cast out devils:

We got to see, as people put Him first in their lives, miracles taking place, grace given to face whatever had to be faced, supernatural supply in so many areas. We are truly blessed to know Him and to see Him at work.

This last summer our dear friend, teacher, father in the faith – Warren Hathaway went home to be with Jesus. His teachings through the years have been invaluable, whether on the winter or summer outreaches, at the Bible School – we know those teachings will live on. Kay Carbert also went home to be with Jesus this summer, one who was a godly example of a life surrendered to God and a prayer warrior. May God raise up many more prayer warriors to see the forces of darkness pushed back and the works of God proceed

Since being back at the Prayer and Ministry Center this fall. We have been doing many of the projects that we have not been able to get done previously and going to the different communities, helping with many funerals. So many this last year have gone on to their reward – may God help us to reach the lost before it is too late. We are now in the process of celebrating the King of Kings this Christmas and also getting ready for Bible School in the New Year. Bible School will be Feb. 5th through March 29th, 2024. We will be going to the different communities as God leads and sharing the best news in the land – Jesus reigns.

May God bless each one this season.

May we all together see a harvest of souls come into the Kingdom of God. We are all still here for such a time as this, to see His plans and purposes accomplished across the land.

May God Richly Bless you All this Season and in 2024!
